

Environmental Policy

Company Name:	SKAT Limited ('the Company')
Date:	09/05/2017 Reviewed 25/04/2018

SKAT Limited recognises and understands the importance of protecting the environment in which we operate. We are fully committed to minimising the impact that running our business has on the environment and we encourage our clients, suppliers and other stakeholders to do the same.

The Company is aware that our business activities result in: the generation of waste, transport emissions etc. and we will comply with all relevant legislative, regulatory and other environmental requirements in order to act in a socially responsible manner and we will strive to continuously improve our environmental performance.

The Company will aim to:

1. Minimise the use of natural resources;
2. Minimise the generation of waste and implement/promote recycling;
3. Minimise pollution and promote greener transport options;
4. Purchase and promote the use of greener office and cleaning products;
5. Consider the environmental impact of any business decisions made;
6. Encourage feedback from staff on improvements and feed these into the policy;
7. Designate appropriate resources in order to implement, monitor and continuously improve the policy;
8. Make this policy available to any interested external parties and to employees;
9. Continually improve and monitor the environmental performance of the company and report these to interested parties.

Desi Gray will be responsible for implementing the above objectives, reviewing progress and continuously updating this policy as necessary. The Company will review this policy periodically and publish the results on their website.
